

## PRESS RELEASE

### **Aqua-Therm St. Petersburg is the main HVAC & Pool industry event in the North-West of Russia.**

On the 18<sup>th</sup> – 21<sup>st</sup> of March 2015 in the St. Petersburg's new convention and exhibition centre EXPOFORUM will be held the 2nd International Exhibition Aqua-Therm St. Petersburg. It is the unique platform in the North-West region showcasing the latest novelties in domestic and industrial equipment for heating, water supply, plumbing, air conditioning, ventilation, pool, sauna and spa.

The exhibition will feature companies specialising in the following sections:

- Heating and water supply: heating systems and boiler equipment, water supply and treatment, sanitary, and test and measuring equipment, environmental technologies;
- Climate control equipment: air-conditioning and ventilation systems, vent pipes and chimneys, filters and purification, humidifiers and humidity controllers, cooling and refrigeration equipment;
- World of Water & SPA: equipment for pools and saunas.

The NEW ENERGY special sign will outline the companies developing energy-saving technologies and production solutions based on renewable energy sources.

In 2015, Aqua-Therm St. Petersburg will present 102 companies from Russia, China, Germany, Hong Kong, Finland, Turkey and Poland. The key market players are among the show participants: GRUNDFOS, INTERMA, ROLS ISOMARKET, WILO RUS, LINAS, K-FLEX, ROCKWOOL, FG SYSTEM, VENTPROM St. Petersburg, RUS Uponor, Markopoulo Northwest, Termafleks INSULATION +, Topol-ECO, EGO ENGINEERING, PP BLAGOVEST C +, TERMOROS SPB, PETROVENTKOMPLEKT, POLYPLASTIC CENTER, KAN, MAYBES ENG, RUS EREMIAS, Domotechnika, Pipelife, OPTIMA, CVM, Armacell and many others.

The 17<sup>th</sup> Conference "Efficient heating, ventilation, air-conditioning and heating systems" will be held on the 20<sup>th</sup> of March within the frameworks of the Aqua-Therm St. Petersburg business programme. The conference is organised jointly with NP "ABOK."

Aqua-Therm St. Petersburg will be held simultaneously with the 21th International Building Exhibition "InterStroyExpo" and 3rd International Exhibition of suburban housing "Zagorodom".

Aqua-Therm St. Petersburg represents the international brand of industrial exhibitions "Aqua-Therm", the leading HVAC events in the Eastern Europe gathering record number of visitors and exhibitors and covering all the exhibition profile.

The exhibition venue: EXPOFORUM, St. Petersburg, Russia (Peterburgskoye Highway, 64/1, Pavilion G).

**See you on the 18<sup>th</sup> – 21<sup>st</sup> of March 2015!**
